AI Training for Beginners

Self-study training to use AI chatbots **safely, sensibly and cost-consciously**. Vendor-neutral, no prior knowledge required.

Status

The English version is **in progress**. The complete original material is available in German:

- German original: `../de/` (`../de/README`)

Once translated, this folder will mirror the structure of `de/`:

Folder / file	Content
`00_-einfuehrung_-handout`	Introduction handout (start here)
`01_cheatsheets/`	Cheatsheets, one page each
`02_-zusatzuebungen/`	Extra exercises per topic (★ / ★★ / ★★★)
`03_tests/`	Entrance test and block tests with separate solutions
`04_trainer/`	Question template and FAQ
`05_fortschritt/`	Progress checklist
`KI-Training_-Roadmap`	Learning paths and topic plan

PDF downloads for each language are available under `../pdf/<language-code>/`.
